Customer Reviews

Founded in 1915 as the Cartographic Group, the first division of National Geographic, National Geographic Maps has been responsible for illustrating the world around us through the art and science of mapmaking. Today, National Geographic Maps continues this mission by creating the world's best wall maps, recreation maps, atlases, and globes which inspire people to care about and explore their world.

Great maps

It covers too much area on one page with too many details. Very crowded and messy map. Not a fan.

Bought as a gift, they are very good quality.

I'm sure the map itself is very accurate however the type is quite small.

Great!

It says that it's a 2015, but I believe I received a 2012 version.

Just what you would expect from the OLD Nat Geo. It will turn into trash now that Murdock owns it.
