When the Water Smokes

I recently read Bob's book. Having grown up in Morehead City, it took me back to childhood as if it were only yesterday. It captures the essence of Carteret County and reminds one of the world there, long gone, but still connected in time. I thoroughly enjoyed it and will, no doubt, read it over and over. I recommend it to everyone whose heart is connected to coastal Carolina.

My stepfather had asked for this for Christmas, but he warned us that we couldn't find it since it was out of print. I found it easily on . It arrived promptly and well packaged. He was so thrilled to open that present. Many thanks!!
