THE ACADEMY OF NUTRITION AND DIETETICS, formerly the American Dietetic Association, is the largest group of food and nutrition professionals in the world. As the advocate of the dietetic profession, the Academy serves the public by promoting optimal nutrition, health, and well-being.

This is one of my favorite books!!! So happy I get to share it with my bilingual friends.

As parents who want our children to learn different languages this book is a great start. The flow of words and examples used are natural. I like the repetition of phrases.

A very sweet book. My son (21 months) loves it and acts out some of the pages as we read.

Hard to find good books for our bilingual daughter but this one is great!! I really like that it is more about feelings than just objects etc.

This is a really sweet book. Simple, declarative sentences, in Spanish, which is exactly what I wanted. It's the perfect length for my 1 1/2 year old's bedtime story.

I love this book, but the last page was printed upside-down. I didn't realize it until the child that I gave it to as a birthday gift and I read the book together.

Super cute book and love that my husband can read it in English with my son too (he doesn't speak Spanish). I wish all the Spanish language baby books had it in English as well. Many do so I will be getting more!

This is an excellent, loving, easy to read story. The English and Spanish are the best translated board book I've read.
