**Caught Up into Heaven** After thirty nights of experiencing the depths of hell, Mary Baxter was shown the realms of heaven. Here are breathtaking glimpses of the beauty and joy that await every believer in Jesus Christ.

## Prayer, and The Power of the Blood.

Do you want to spend eternity in heaven? After reading Mary Baxter's book on hell, my answer is an enthusiastic yes! So what is heaven like and what will people do there? This book describes people worshiping and praising God but does not go into as much detail as I would have expected. Other books like *Inside the Gates of Heaven* are much more detailed in that regard and describe much more about heaven than this book does. However I still enjoyed reading about the rooms where tears are collected and there is a lot more in this book about what angels do in heaven. I felt this was a positive and encouraging account of what goes on in heaven, especially in regards to the details of what goes on around God's throne. Mary Baxter intersperses her heavenly observations with relevant Bible verses. Her descriptions of heaven are the same as other detailed accounts I've read so I think this book can be trusted. When so many people see exactly the same things...like a river and fruit trees and rainbows and the list goes on. Heaven really does sound gloriously beautiful. This book also answers questions like what happens to babies and children when they die. Some of the information like how God creates an adult out of a child - I've never read that anywhere before. God works miracles even in heaven. The reason I enjoyed this book is because Mary Baxter pays so much attention to the details. Even angel wings become magical with her descriptions. There is also a description of a vision Mary has which shows Jesus returning in the sky. So there is a lot to enjoy in this book and it will make you long for heaven. ~The Rebecca Review

Then the Lord answered me and said: "Write the vision And make it plain on tablets, That he may run who reads it. (Habakkuk 2:2) I am usually in line to buy kindle eBooks for easy and quick reading. I love them and I don't want to wait to read them. I could have done that about this book. However, I am always open to purchasing a paperback book if I feel it is warranted because I want to turn the pages physically and re-read portions that capture my attention. That's the case with this paperback book, *A Divine Revelation of Heaven*, by Mary K. Baxter; I found I wasn't disappointed. Ms. Baxter testifies to her spirit being caught up into Heaven over a ten-day period. In her account, she was escorted by an Angel of the Lord and at several points in her journey into Heaven, the Lord Jesus accompanied her. Being caught up in the spirit is in itself not unusual. The Book of Revelation was written by the Apostle John (the Revelator) who was caught up in the spirit by an Angel of the Lord. I, too, have had but a small smidgen of a vision of Heaven-being caught up in the spirit. I know Heaven is a real place and not one to be overlooked as being imperative to

where, ultimately, our soul could end up should we choose the Lord Jesus Christ as Lord and Savior. In writing about her journey, Ms. Baxter refers to scripture when she was taken into several areas of Heaven. I most enjoyed it when I kept seeing the Angel of the Lord say to her, "Come and see the glory of your God." I would get very excited with anticipation to what the Angel was next going to show Ms. Baxter. She visited many rooms where angels would be working on their various tasks set up by God and our Lord. There is order in Heaven, there is constant glorious music and singing praise and worship. There is beauty everywhere with imagery to help the reader visualize Heaven and all it has to offer. The book has 14 chapters. Each chapter is full of information about the Throne of God, the Storehouses of Heaven, What Happens to Children, the Holy Creatures (the seraphim angels), the Word of God, the Return of Christ, and many more. I especially appreciated her description on the Word of God and its ability to supernaturally leap off the Book and carry its full weight in power to enforce its meaning as a fulfillment of its promise—either healing, provisions, or safety and protection. Her message would always point the way to the Lord Jesus Christ and His plan of Salvation for His redeemed—those who accept the Lord Jesus Christ as Lord and Savior over their lives. What helps a great deal is reading the Christian Holy Bible where you can verify that all that is being described is verified in the scriptures but it's her journey and it's her mandate to tell the people that yes, heaven is real, be ready because one day the Lord Jesus Christ will return in His full glory and take control of Earth and rule and reign forever. Ms. Baxter fulfilled her mission by releasing her journey into Heaven by being obedient to the Lord so that the people may know about Heaven: "Then the Lord answered me and said: 'Write the vision And make it plain on tablets, That he may run who reads it.'" (Habakkuk 2:2) The paperback book is full of inspiration and encouragement to the reader. I definitely recommend reading it and add to your library of knowledge and hope. Blessings, Seashore Mary

I chose this book after reading her first book.... Divine Revelation of Hell. I just had to read this book. I knew it would bless me and confirm my beliefs and visions God has given me. This book really blessed my spirit. To God be all the glory and blessings to you Mrs. Baxter.

Please read. I want everyone to go to heaven. If you believe in JESUS and have any doubts whatsoever, look no further. What I learned through reading this book was eye opening and I will spend the the rest of my life on earth pleasing God and repentance. Remember Jesus loves you.

This is the most gorgeous telling of what our Father Yahuah needs and wants us to do. I

I read A Divine Revelation of Heaven by Mary K. Baxter in three days. I couldn't put the book down. I chose this book because in 2006 GOD showed me a glimpse of heaven and I was standing there with a very tall bright Spirit who had on a bright white robe who had brought me out of the dark pit. The pit was dark and very scary. It was erry. I couldn't see anything in front of me or around me. I heard people screaming. In heaven I saw thousands of Spirits in white robes and I couldn't tell who were men and who were women. It was so peaceful. They were all chatting and laughing. All of a sudden they started cheering for me. I have not been the same since that experience. Heaven is so bright I couldn't look up I kept putting my head down because it was pure white. That's GOD's glory. Mary K. Baxter thank you for sharing what GOD showed you about Heaven. Thank you for being obedient and sharing everything GOD shows you. Your books changes lives. Everyone should choose life with Christ.

Mary K. Baxter has written a life changing revelation of heaven. This book is supported with scripture. The descriptions are vivid enough to picture for myself. I read and find myself seeing into heaven.
