The Art Of Tough: Fearlessly Facing Politics And Life

Synopsis

"One goal of this memoir is to inspire people to fight for change. It takes what I call the Art of Tough and I've had to do it all my life."---Senator Barbara Boxer
Barbara Boxer has made her mark, combining compassionate advocacy with scrappiness in a political career spanning more than three decades. Now, retiring from the Senate, she continues the work to which she's dedicated 30 years in Congress. Her memoir, *The Art of Tough*, shares her provocative and touching recollections of service, and cements her commitment to the fight for women, families, quality, environmental protection, all in a peaceful world. Sometimes lauded, sometimes vilified, but always standing tough, Boxer has fought for what is right even when her personal convictions conflicted with her party or the majority rule.

Customer Reviews

"[Boxer has] an eye for a good anecdote.... a key record of her work."â •Publishers Weekly
Anyone who thinks that Washington can't be understood, has no great hearts, and is not crucial to our daily lives will be turned around on all counts by Barbara Boxer's irresistible story of her more than four decades there. Read this as a bridge into the coming political year, and you won't just vote, you'll fight to vote."â •Gloria Steinem, feminist, activist, and author
