Seascapes & Sunsets: Discover Techniques For Creating Ocean Scenes And Dramatic Skies In Watercolor (Watercolor Made Easy)

Synopsis

This newest Watercolor Made Easy title combines the drama of beautiful sunsets with the splendor of oceanscapes, making a perfect guide for any aspiring landscape artist. Accomplished watercolorist Thomas Needham begins with basic watercolor techniques and tips specific to rendering seascapes and sunsets, such as preserving the white of the paper, painting soft blends, and creating realistic reflections. Then he offers step-by-step projects that guide artists from initial sketches to impressive, colorful works of art.

Thomas Needham of Appling, GA, is a graduate of California's renowned Art Center College of Design with a double major in Advertising and Illustration. He has received numerous honors and awards for his watercolor, oil, and acrylic paintings. Thomas says, "I bring vivid imagination to my work and a tremendous love of form and grace. It's through my art that I share the beauty, awe, and mystery of what lies before our eyes." www.thomasneedham.com

Seascapes and Sunsets is a very tiny edition compared to all of my other art books and especially my Walter Foster books; it is only 6 1/2 by 9 1/2 inches. The reproductions of the color prints and photos are less than postcard size and therefore hard to see in detail without eyestrain and the print is very small. If the book had been printed in the usual, larger formats, it would be lovely and

informative as the author uses warm colors in very interesting ways. It's just very hard to use. Might be good for backpackers.

Love seascapes. I was disappointed with the size, but overall very good

I like the choice of scenes for the book. I haven't tried painting from the instructions yet but I would have liked to see some pictures of brush strokes showing the blending of color for the skies and water.

nice tip to achieve the effects when painting

Very informative for a beginner. Good examples and instruction. Very satisfied with purchase.

I love the color recommendations for the watercolor palette. This allows artists who have little experience around the sea or ocean to begin with appropriate colors. Correct colors offer simple suggestions for beginning and experienced artists. Thank you Thomas Needham for such a practical text.

Great ideas and instruction step by step.

Terrific seller and text for artists.
