Book by Dorros, Gerald, Seeley, Darrell

This book is a textbook and should be looked at as a professional reference tool for those in the medical field. This medicine can be dangerous in the hands of untrained and unskilled technicians or doctors. This well written book is for medical doctors, PhD nurses, P.A's, and engineers. Laser therapy and medical lasers are common in Russia. This is less common in America. North American Association of Laser Therapy or NAALT is the association that manages the membership of Laser physicians. The technology is amazing for those with diabetic wound healing problems, skin diseases, sports injuries, ligament injuries, muscle tears, small bone fractures, tunnel carpal syndrome, and alopecia. Laser acupuncture is among the best treatments for addiction. Laser therapy is a great type of anti-aging medicine and A4M is a great source of medical professionals familiar with Laser. The laser can be a huge asset for any medical clinic. Lasers should be recalibrated annually and filed with the state health or medical department where you reside. Cold Grade Medical Lasers are expensive. Dr Rebecca Stone author of Quantum Brain Healing, a hip and edgy alternative medicine book for brain illnesses [...]
