"When a cowgirl dies and goes to Heaven, she does not get a halo. Instead, she gets a big, silver belt buckle."--from the Introduction

Wonderful little cookbook! Great classic recipes that I had not seen before. Simplicity at it's best. This would be a wonderful gift as well. I plan on buying it for a couple of people. Very detailed art and photos! Great score for cookbook collectors and those that love western history as well! Enjoy!

Not only is this a good cookbook, but it is an interesting history book. Almost each page has a small strip highlighting some of the old cowgirls that did trick riding, etc. around the early part of the 20th Century.

I bought this cookbook because I bought 2 Cowboy cookbooks and it only seemed right to get the cowgirls side. This book did not disappoint. Besides the recipes, this book features vintage photos and illustrations about cowgirls or things in a cowgirls life. Also interesting and humorous quotes and info sprinkled throughout. My husband wants me to cook the rattlesnake stew. Hmmmm

I bought it as a gift for a friend and ended up getting one for me too. Great recipes i can't wait to try!

This is a fun cookbook that really anyone would love to have as a part of their cooking library. Great, very usable recipes (except how to prepare rattlesnake) that can be used as good basics. Glad I purchased it!

I bought this for my wife for fun and she thought it was such a fun book, we got 3 more for Christmas presents.

Such a cute cookbook! I have given this as a gift many times to my friends who are ranchers and cowgirls. Great collection of true comfort food recipes.

Loved the recipes and the side stories.
