# Miracles Of Jesus (Little Golden Book)

## Synopsis

In one extraordinary day, Jesus performed two of his most famous miracles: the feeding of five thousand with only a few fish and loaves of bread, and walking on the water of Galilee during a storm to reach his frightened disciples. Beautiful artwork and simple text make this book a standout, and perfect for our 2- to 5-year-old target audience.

## Book Information

## Customer Reviews

Not too many specific miracles given. Does give that he healed the sick, Jesus walking on the water and feeding of the five thousand. It is a short story as Little Golden Books are. Illustrations good for young children.

I got this book for my 3 year old, but also used it to teach the kids in Bible class. This book doesn't cover all the miracles of Jesus as the title implies, but focuses on two specific miracles: the feeding of the 5,000 and Jesus walking on the water. It is well written, beautifully illustrated, and helped spotlight two great Bible stories.

good condition

Got this book for my granddaughter who is 3. This will be nice for her for a few years. It is not too babyish. The story of Jesus is told well here. The artist's depictions are some of the best I've seen. The faces, clothes, colors, background, are really nicely done. They look like real people, not caricatures like so many books! The detail in the pictures is very full. I would buy this again in a minute. I actually did by a second one to have at my house as well.

I bought these for my grandson so that he has a book of his own when he accompanies my wife and I or his parents to church. They are time tested children's books

Beautiful book, well written for children and great pictures. I wish it was a little longer!

I give this book to my grandson . He loves it

Love golden books and so very glad they have ones about Jesus. I am sure my grandson will love being read these stories.
