Customer Reviews

Popsicle blue-skies, sun-bleached sand and golden sunshine. Scores of culinary delights, world-class golf, dazzling nightlife and amusements galore. This indispensable guide covers it all with vivid detail to the Southern hotspot the American Automobile Association (AAA) found to be the second-busiest summer destination in the country.

Most of the imformation is available from the 2 or 3 freebie beach guides that can be found everywhere in Myrtle Beach. And, just at a glance, I could see that a number of great restaurants were missing.
