Not bad for the price. I read it, and we used parts of it. Not as well structured as Frommers.

A decent guide for the area. A bit outdated regarding current prices.

great reference

Great guide - helped us plan our trip with ease!

Very informational

We took this guide with us when we visited San Antonio recently. It gave us ideas of what to see but we were very disappointed that none of the restaurants listed as good had street addresses.

great
