Cooking with the Power Air Fryer means we can enjoy all our favorite fried foods with the same great taste but without the guilt. Munching on blooming onion, mozzarella sticks, and French fries from our oil less fryer means fewer calories and fat. The author has provided Clear instructions with the correct quantity of ingredients required to make the recipes as simple as possible. I really like snacks and desserts recipes in this book. excited to make and eat with my 2 year old son. I'm sure he would really like. Great recipes book.

I have used my fryer xl for about two weeks. So far I have made pork tenderloin with baked apples, crab cakes, air fryer shrimp and stromboli. Also frozen cream cheese poppers(5 minutes). All were very good and tasty. Cleanup was quick and easy. I highly recommend Air fry everything " by Meridith Laurence for a wide variety of air fryer recipes.
