## **Customer Reviews**

Volume 1: Outlines and Study Guides Covers all four sections of the CPA examination point by point Stresses important topical areas to study for each part Helps establish a self-study preparation program Divides exam into 45 manageable study units Outline format featuring examples and illustrations makes material easy to read, understand, and remember Provides step-by-step examples of the "solutions approach" Contains all current AICPA content requirements for all four sections of the exam Volume 2: Problems and Solutions Offers selected problems from all four examination sections Contains rationale for correct or incorrect multiple-choice answers Features

more than 350 simulations Details a "solutions approach" to each problem Updates unofficial answers to reflect current laws and standards Groups multiple-choice questions into topical categories within modules for easy cross-referencing Provides a sample examination for each of the four exam parts The format and content of the CPA exam keeps changing; be prepared! This 40th Edition of the Wiley CPA Exam Review is fully revised and updated to reflect all of the latest changes to the exam. Passing the CPA exam on your first attempt is possible! We'd like to help. GET EVEN MORE INFORMATION ONLINE: You'll find a wide range of aids for doing your best on the CPA exam at [wileycpa.com](http://wileycpa.com), including content updates, CPA exam study and test-taking tips, and more. All Wiley CPA Exam Review products are listed on the site.

Very easy read. Easy to understand. I have used other exam books in the past and they were so confusing. I really like this book. The sections are separated nicely and the sections are not overwhelming.

Jam packed with questions and simulations. I used this for all 4 of my exams instead of shelling out 4k for Becker. I passed two of four of my exams on the first tries. Now using it again for my re-takes. I do recommend it.

Taking the CPA exam? Get the Wiley books to study. Take the CPA prep class. And take the classes one at a time and take the exam immediately after.

It's an incredibly intimidating book but it is nice not having to buy different books all over the place and spending a lot extra when coupled with a study program. I prefer to just go at this book and pass the tests. Make sure to couple this with the outlines and study guide book.

needed for cpa exam studying and i find that since Wiley creates textbooks for college aged kids, they have a better handle on how to approach the teaching mechanism of the review course

nice products and good seller

Too confusing get Becker..

4 sections of questions & stimulation, very useful book, cuz the becker book doesn't have the

questions. good excise for the cpa exam..
