Jesus Christ Is Perfect Theology

Synopsis

The Bible gives us the history of the human experience with God: The triumphs, the failures, the redemptions, and ultimately, the enduring love of the Father for His Creation. Nowhere is this love seen more clearly than through the life of Jesus Christ. In this foundational message by the best-selling author of *When Heaven Invades Earth*, Bill Johnson shares the importance of Jesus in understanding God's love for humankind. Modern interpretations and theology point to God as being angry, vengeful, and genocidal, attributing to Him some of the very worst aspects of the human condition. The Old Testament is an incomplete picture, as God portrayed through Jesus is a very different God indeed. In *Jesus Christ is Perfect Theology*, Bill Johnson reveals how Jesus completes the picture of God presented in the Bible, and provides to us the measure by which we should judge all things.

This "book" is only 17 pages long, and you would think that you could read it in one sitting, but it took me a week to get through, not because it was difficult reading, but because I had to stop numerous times to ponder what I had just read. I HIGHLY recommend this book, and frankly, it's one of those books I need to read once every month or two. It's that good.

A renewed mind is priceless. Jesus thoughts were from heaven. Not carnal mans thinking. Love that there are some books training us to have heavenly thinking. Love this book.

Bill knocks it out of the park with a profound and yet simple book that is sure to break wrong views of God in our lives.

This book plants the seeds of supernatural faith to encourage the reader to believe in the God of the universe, found in the real person Jesus the Christ! Having had this supernatural awakening of the holy - we are empowered through, with, and in Christ to do all things. A definitely read for those who want to achieve their purpose in God's Kingdom assignments

Bill Johnson drops nuggets of gold and gems of insight in this book. The things that make you go, "Hmmm..." are especially thought provoking and spirit refreshing.

It has alot of information in it for a very small book. Ive got it almost read. Ive been reading The Shack two so far i didnt know is there a third one

Always Fantastic!!!

Great small volume. Theologically fresh. As well as straight and to the point on the primary place of Jesus in all the universe.
