Customer Reviews

I went to St Tropez 'before' I read the guide and feel like I missed out on a lot of great local attractions. This guide is comprehensive, gets to the point and is very concise which I like. I just need the place, the time and a brief review then I'll explore it for myself. I don't have time to read a 300 page book! We plan to go back to St Tropez (when we've finished paying the bill from last time) and I hope to visit some of the villages that are just outside St Tropez and would love to go to the Market mentioned in the guide. Everyone should see St Tropez as there is truly no place like it. Note: St Tropez is tricky to get to and the guide lists all the available ways to get there. The taxi route is v.expensive 200+ euros each way.
