Be ready to laugh out loud and hard. Keep kleenix with you because you will be laughing so hard you will be crying.

People tend to stare and draw away from a person sitting alone and laughing helplessly. I live in an apartment and I was afraid my neighbors would call 911 if I read too long! It is laugh-out-loud and better-empty-the bladder-BEFORE-starting-to-read funny.

Funniest stuff ever!

This is hilarious. I could not stop laughing.

Some of these were funny, but nothing new that I haven't already seen floating around on the internet. Still, though, the price was right (free) and it is good for a few minutes of wasting time.

These txt fails are hilarious. Having paid for this I hoped it would take more than a few minutes to get through.

This is just so funny, especially if you have ever been "victimized" by your auto-correct. Good warning guide for a check your recipient before you hit send, on text messages as well.

Not exactly what I was expecting, but is a good way to take your mind off life. Some are funny - I especially enjoyed the parent/child texts to each other.
