Icebox Cakes: Recipes For The Coolest Cakes In Town

Synopsis

Icebox cakes feature crisp wafers and billowy whipped cream layered together and chilled overnight, where they transform into a heavenly cakelike texture. In this tempting cookbook, eager cooks can start with the Old School, a classic pairing of chocolate wafers and lush whipped cream, before moving on to fantastic combinations such as Luscious Lemon with its lemon curd filling and ladyfingers or the Black Forest's cherries and mounds of chocolate-kirsch whipped cream. Ideal when made a day or two in advance, these minimum-fuss cakes promise maximum friends-and-family cheer.

Customer Reviews

Jean Sagendorph is a literary agent, author, and icebox cake expert. She lives in New York. Jessie Sheehan is an avid baker, recipe developer, and blogger, with a sweet spot for whipped cream and pudding. She blogs about the trials and tribulations of developing recipes for all things sweet at jessiesheehanbakes.com.

Icebox cakes---some are a lot of work, an awful lot of work! Don't let the idea of an icebox cake make you think that these recipes are easy---they're not. Interesting but a whole lotta work for some mighty small cakes.

I'm stuck at the chocolate wafer recipe, first recipe actually. The amount of butter is resulting in a flat, non crisp, very greasy cookie that falls apart. I know that it has to be something that I am doing because the recipe was even worked out in metric, which is always a good sign that the recipe

testers did their homework. I've followed the instructions to the "T" though, including the freezing of the cookies before they go into the oven. I've tried reducing the temperature. And I've tried a longer bake, just short of burning the cacao. But without success. There is a pool of grease on my cookie sheets and a flatness and cake like texture that seems to scream "too much butter in this recipe for the sugar to crisp the cookie up when it cools". I am so frustrated with the recipe.

Good ideas, but I found many of the recipes I would never use. Nice book. Good quality.

very cool

Daughter-in-law is a cupcake maker, so we gave her this (hint hint) for Christmas. She's already tried a few and was very happy with them; we're looking forward to one this summer.

Definitely getting a varied assortment of trader joes wafer cookies. Great variety of recipes. Super photography supports the directions. Yum!

Book arrived in excellent condition. Many, many GOOD easy recipes.

The book was ok. Receipts provided a great deal of detail.
