## Customer Reviews

The patterns are beautiful!!!

Great coloring options for young and old

It's a great adult coloring book for beginners, seniors and with low vision problems. I highly recommend this coloring book.

Good value and nice pics to color.

Thanks!

great

Too easy for adults but great pictures and decent price!

This was a gift to a first time adult colorer. She loves the book and can't wait to use it. She loves the big picture and is glad they are not too "busy" like another book she received. This one is getting top priority in her relaxing time.
