as you discover how God's appointed times are designed to bring our relationship with Him into redemptive fulfillment in Jesus the Messiah. The first appointed time God has established is the Sabbath. This time of rest in which God desired to dwell with us in an ongoing relationship was corrupted when we as a race represented by Adam and Eve chose to destroy our relationship with God by disobedience. The Appointed times which include the Sabbath and the Feasts were designed to restore or redeem our relationship and rest in Him. They foreshadow God's plan for us and are fulfilled in Jesus the Messiah in amazing detail. I am greatly impressed with how well written, visually appealing and coordinated the DVD, Power Point, Book, Leaders and Participants guide along with the Pamphlet are. Each one is of the highest quality and easy to use. It has been a delight to review and complete this study. I highly recommend it. The link below will provide greater detail as to the content of these materials. [...] Things you will discover in masterful detail.* You will discover that Sabbath is more than a day off and that God intended it as the beginning of dwelling in relationship with us.* That there is an amazing amount of revelation and insight in such simple things like how unleavened bread applies to our spiritual life.* The unveiling of the Lamb throughout the Bible.* How Jesus fulfills the celebration of First fruits, which points to the resurrection. How the Feast of Pentecost is about the sanctification or ongoing making pure of God's people as well as the outpouring of His power. When Acts 1:8 says we shall be witnesses it is about revealing God to others in our how transformation.* How the Feast of Trumpets is about gathering God's people for the Fulfillment of His plans. The Day of Atonement, which is for all Israel and all peoples to be made right with God who is King of the Universe.* How the Feast of Tabernacles is a celebration of God's provision for His people and its place in the Mount of transfiguration recounted in the Gospels.* How the Feast of Hanukkah is revealed in full as we place our faith in Jesus. How the account of Ester's victory through God's favor on His people in the greatest struggle is indeed a great cause for celebration and perseverance in faith. I am going to be teaching this to a ladies Bible study group in January. I have already started studying this book. Every one who is a born again Christian should take this study. I did not know the significance these feast days have with Jesus. What an eye opener. God has a reason for everything He told us in the Bible. Everything points to Christ as the Son of God and I have been amazed how the feast days depict Christ. I can't wait to get into the full study. My ladies are excited

and I will write a review after we study this.

I needed to do a PowerPoint presentation for a couple of churches and this tool was very helpful. It covered all the fundamentals of the Feasts initial purposes and tied in the spiritual fulfillment of Jesus as Messiah very well. It became a real eye-opener for the evangelical Christians that were in attendance. If anyone ever had reason to celebrate God's Feasts, it would be Christians due to Yeshua's spiritual fulfillment of them. I highly recommend the Feasts of the Bible Kit for a solid summary of Christ's role in the major Feasts.

An important learning tool to understand deeper what Jesus has done for you.
