1&2 Timothy - Living Out The Gospel: A Love God Greatly Journal

Synopsis

After a face to face encounter with Jesus on the road to Damascus, Paul was radically and forever changed. This change led him to plant churches, go on missionary journeys, and write much of the New Testament. Two of the books he penned were letters written to a young man and spiritual son named Timothy. These words that Paul wrote to Timothy regarding church leadership and ministry perseverance are powerful reminders to us today as we seek to stand firm with unwavering faith in an ungodly world. Just as Paul modeled and imparted this task to Timothy, may it be said of us—“I have fought the good fight, I have finished the race, I have kept the faith.” • 2 Timothy 4:7 So grab your favorite beverage, crack open your Bible, and let’s dive into this six-week study together, reading and writing what God speaks into our hearts along the way. The new layout and look is gorgeous!!! I have been participating in Love God Greatly studies for five years, and have been facilitating them for four years. I always get the journals because I love to look back on my walk with the Lord and hold those journals as part of my journey. But this new look and layout...WOW! The beautiful graphics, comforting fonts, the flow of the SOAPing and Scripture pages, and so much more! I was in awe when I opened my book for the first time, and that awe continues every time I open it. INCREDIBLE changes and I can't wait now for each new study to see the beauty that will unfold in the pages (and the recipes, did I mention there are recipes)!!!

Thank you Love God Greatly, for always stepping up to help us continually be more passionate about our "Lord Learning" (yes, I make up my own phrases)! :)

Love God Greatly Bible studies are always both encouraging and challenging neverhesitating to tackle the problems we face today in the light of the scripture. This journal is beautifully designed and eye-catching. When it's used in conjunction with the fre on-line resources and blogs from Love God Greatly, it makes a great addition to your Bible study of these two books. Reviewed by Patti Stephenson
