The Crime Writer's Guide To Police Practice And Procedure

Synopsis

The essential detective in your pocketâ ”something to reach for when your writing needs that short, sharp shock of modern-day investigating Every writer has paused at some key point in the development of their story to wonder what happens in real life. How would the murder in my story be investigated by the police? How far can I go without leaving holes in the plot? Can I use low count DNA to identify the killer? How does a cop react to a bloated body or, even worse, just part of one? Written with answers to these questions in mind, this is the essential guide to police procedures and practice written specifically for writers. A handy reference book to dip into, or a textbook to guide you from the outset while you are still developing your plot, this guide will leave you confident that you have covered all angles of your thriller.

Customer Reviews

'This is an easy, informative read that ...succeeds in its aim of helping writers negotiate the sometimes murky world of criminal investigations.' Crime Review 'If you are a budding Ian Rankin or Val McDermid but have never been in 'The Job', I advise you to read this book now and save your blushes when someone points out the glaring errors in your masterpiece.' Police History Society Newsletter

Michael Oâ™Byrne began his police career as a constable with the Royal Hong Kong Police. He then moved to the Metropolitan Police, serving in Londonâ™s West End, Notting Hill and New Scotland Yard. After moving to Surrey, then to Thames Valley, he retired as a chief constable.

Useless!
