# The Guided Reading Teacher's Companion: Prompts, Discussion Starters & Teaching Points

## Synopsis

In this convenient flip-chart guide, you can easily find prompts, discussion starters, and teaching points to use when you want students to process more effectively, think more deeply, and express their ideas more thoughtfully. The self-standing guide with sturdy pages makes it convenient to use while working with small groups. Instantly, you can use these tools as starting points for in-depth inquiry based on behaviors youâ™re noticing in students. There are also recommendations on how to revise them as necessary to meet every readerâ™s needs.

Great resource

Great book and shipping was quick.

Excellent prompting guide!

This is useful for quick reference in guided reading.

Positive experience.

This quick reference is easy to use and is well laid out. It encompasses great phrasing for coaching strategies and reminders for focus during reading groups. It's a perfect accompaniment to *The Next Step Forward in Guided Reading*!

This is a quick resource to keep at my small group table to bump up my instruction. I love how these books are coil bound. It makes them much more user friendly.

Only a few pages not as helpful as I was hoping for it to be.
