Customer Reviews

Great book. I even recommended it to an SA that I know. My only slight criticism is that I think he gives too much power to the SA. But it is still a solid 5 Star book on the topic.

Great read! Black Dragon covers all the basics!

Very informative and in depth of the responsibilities and duties of the SAA

John's (Black Dragon) books are always very informative.

So much knowledge in this book has me becoming a better SAA
