A Bull On The Beach: Enjoying The Good Life In Mallorca

Synopsis

Nicholas draws readers back into the delight of learning the ins and outs of running an organic, self-sufficient farm in her fifth book. Having settled in a Mallorcan mountain idyll, Anna Nicholas, her husband the Scotsman, and their son Ollie want to become as self-sufficient as possible. Anna teams up with organic farmers and smallholders to learn how to tend sheep, make cheese and honey, and grind flour, while the Scotsman creates havoc with his friend Pep in an attempt at winemaking and tries to fathom what's troubling the wriggly inhabitants of his beloved wormery. However, Anna can't quite shake off her old clients from the PR world and is persuaded by Greedy George to create a media storm for his new Spanish leather store, involving an elderly bullfighter and a gigantic bull on a Barcelona beach.

Customer Reviews

'A fun, light read with that extra something!' Books4Spain.com 'This is Anna's comic and observational style at its very best.' St Christopher's Inns Website

Anna Nicholas is a journalist and author based in Mallorca, Spain. She has authored several books, including Donkeys on My Doorstep, Goats From a Small Island, A Lizard in My Luggage, and Cat on a Hot Tiled Roof. She regularly contributes to Financial Times, the Independent, the London Evening Standard, Tatler magazine, and the Telegraph.

This is a lovely book. Very easy to read and really well written. Anna makes you believe that you are a part of the family and her close neighbours and colleges. If you want a really good incite into life in rural Mallorca, it's a must read. An excellent sequel to "Goats from a small island"

Not quite what I expected. Thought it would be funnier. I put it aside for now planing to finish it later.
