Customer Reviews

This map was helpful although it doesn't cover ALL of the island. We got lost in the area where there is no map coverage, so that was frustrating.

For my purposes the map was fine. Showed the streets in the area I wanted to visit which was a fairly small part of Honolulu. Cannot comment on the total area of Honolulu or for Oahu.

Good, usable, but letters are too small.

Very handy for getting around Oahu. Kids enjoy planning out our route. Detailed enough to be useful.

Easy to read, every destination we try to find is on here. Perfect.

Sadly, I find no maps dedicated solely to the Island of Oahu.

I ordered this map as soon as I booked the vacation. I know how hard it is to get around in an area when you don't have a map. We used this map everyday of our 9-day vacation ... it was great.

Good resource for navigating around the island.
