Customer Reviews

Timely, compassionate, and well-written book by a Methodist minister! Wish I had such a book when I was growing up. It would have made my life, and my mother's, much easier.

A well-written, insightful book that demonstrates Christian Love. I can't wait to share with with my church young adult group. Just ordered four more copies.

Dollins has presented Biblical references that can help any youth with common questions. Also a

good read for parents and adults who are confused about the issue of homosexuality. Beyond the important message, it is a well-written novel that is hard to put down until it is finished.

This book is thought provoking and insightful, allowing us to see a perspective of life that most of us had not had to endure. Well written and a quick read, I highly recommend it to all.
