In this book, the all answers of text workbook, and the script of 'listening practice' from workbook are recorded.

Using this, I can have TAs to grade assignments. Also, I have students to check the answer and track their errors so that what kind of errors they keep making.

Exactly what it says, this gives you the answers to the exercises in the text and workbooks for Genki I & II. The organization was super confusing at first, but really just because the table of contents and titles are all in Japanese. I just keep my pages bookmarked and it's all good.

This book is absolutely necessary for anyone studying Japanese using the Genki textbooks and workbooks. It has all of the answers for Genki 1, 2, and both of their textbooks. Great for self learners and those who are in school but want to double check their work.

Arrived before latest estimated date. Condition: Perfect. Book is all in Japanese pretty much but

don't worry if you don't know how to read Japanese yet it's not that hard to figure out what page in the answer book goes with what page in the work book

Outstanding book, amazing help!!!!!!Now,I can work on my own!!!!Very,very helpful!!!!!!!

Great price! Came a with a little damage. But binding was perfect! Happy with my purchase! The book is great to have as reference to the Genki textbooks.

The appropriate answer key to the Genki Elementary Workbook.

Arrived as expected-in brand new condition-after fully reviewing, this is a great Japanese Language learning tool.
