Synopsis

Responding to a 911 call, Whitehorse Deputy Halley Robinson is stunned to find herself face-to-face with her teenage crush, Colton Chisholm. The schoolboy who had teased her is now a strong and sexy man—and he's on a mission to solve a case! But if he plans on unmasking a killer, he's going to need her help. Colton can no longer run from the truth—someone in his small town has gotten away with murder. Now it's up to him to bring the killer to justice—with the help of local authorities, which, to his surprise, include Halley. The girl who had once idolized him is now a woman he must fight to resist. But as they work on the case, the attraction between them only grows stronger. Their rocky past may lead to a future together—unless the killer parts them forever.

Customer Reviews

I really enjoyed this book, and think others will too. The setting and characters are interesting. I recommend it very highly.

In less than 24 hours after downloading "Branded" I have finished the book. It catches you right from

the beginning and never lets you go. Many twists in the story and in B.J Daniels fashion there is more to come in her latest series. Can't wait for the June sequel. Six adopted boys raised by a father who has just remarried for the 4 time. What web we can weave for great suspense reading. On the down side it is still the same old town and store names. My personnel grading system is a 0 to 9. Seldom give any book a 9, but this one did deserve the 9 I gave it. I've read 30 of her books and this will make the thirty first. Most of my grading on her books have fallen in the 7 and 8 range. only one was a 5 because it was too far fetched.

THIS IS THE START BOOK 1 OF THE CHISHOLM RANCH. GOOD STORY LINE. THIS SERIES OF BOOKS KEEPS YOUR INTEREST AND MAKES YOU WANT TO CONTINUE WITH THE NEXT BOOK. I REALLY LIKED THIS SERIES OF STORIES.

I downloaded this fantastic book last night & finished it by this morning...I was so absorbed in the story it was 3am before I looked at the clock! I can't wait until the next one comes out in June...hurry!!

This is a new author for me and I liked the family story line. It is a trilogy of six stories. It is a small book but keeps you in story the whole book. Choose the rating because of the book kept me interested. I usually trade books with other people and they will like this author and trilogy series. This is the first story and I liked this character best

I always enjoy B J Daniels books this one is really good also . There is no vulgar words and sex and that make reading good for me. This one keeps you guessing what's going to happen.

An absolutely superb book . I missed sleep not able to put it down. Unmatched writing talent. Please keep it up B. J.

You never know what will happen next. It keeps the book interesting. All of her books are great. I like to start with the first book in the group, but if I can't start with the 1st it does not lose my interest by reading the second or third book first
