Nothing outstanding, but as good as most on the market

Great tool

Very useful.

I get this magazine every year.

Had all of the info I was looking for. Neatly organized.

Good book. Thanks

One of the best mags out there for helping you prepare for your FF draft and upcoming season.

This is my favorite fantasy football magazine by far. They're not afraid to go out on a limb, and they provide thorough analysis when they do so. I like to say this is the "thinking person's fantasy magazine."
