Iceland: The Ultimate Iceland Travel Guide By A Traveler For A Traveler: The Best Travel Tips; Where To Go, What To See And Much More (Lost Travelers, ... Reykjavik, Iceland Guide, Iceland Travel,)

Synopsis

Updated For 2017 Completely Based On Customer Feedback. Congratulations! You've Found The Ultimate Travel Guide To Iceland. Why You Need Lost Travelers First we would like to thank you for considering Lost Travelers as your guide book. Allow us to explain our beginnings, and the reason we created Lost Travelers. Lost Travelers was created due to one simple problem that other guides on the market did not solve; loss of time. Considering it's the 21st century and everything is available online, why do we still purchase guidebooks? To save us time! That's right. Since the goal is to be efficient and save time, we did not understand why there are several guidebooks on the market that are of 500 to 1000 page long. We do not believe one needs that much bluff to get an overview of the location and some remarkable suggestions. Considering many guidebooks on the market are filled with "suggestions" that were sponsored for, we have decided to take a different approach and provide our travelers with an honest opinion and decline any sort of sponsorship. This simply allows us to cut off any nonsense and create our guides the Lost Travelers style. Our mission is simple; to create an easy to follow guide book that outlines the best of activities to do in our limited time at the destination. This easily saves you your most valuable asset; your time. You no longer need to spend hours looking through a massive book, or spend hours searching for information on the internet as we have completed the whole process for you. The best part is we provide you our e-guides for one third the price of the leading brand, and our paper copy for only half the price. "The World Is A Book And Those Who Do Not Travel Only Read One Page" - St. Augustine Here Is A Quick Preview Of Our Guide Welcome to Iceland East Coast of Iceland West Iceland Westfjords Iceland Reykjanes Peninsula Reykjavik Little Capital of Iceland Icelandic Cuisine Conclusion Let us guide you for a better, safer and more enjoyable trip. Customer Reviews

This was the first traveler book I read for Lost Travelers but I'm quite impressed. Will definitely pick up a few more. This book provides valuable insight for travelers to appropriately for a trip to Iceland. I enjoyed learning about the history of Vikings and medieval era in addition to the learning about the geography and variable climate of Iceland. The book breaks different parts of Iceland down and tells you what attractions to see, where to eat, where to stay as well as advice on how to travel. This is very helpful and will make planning a memorable trip much easier than trying to research all of this on my own!

Does not look professional; mostly advertises various tours and hotels. Very poor English. Book full of mistakes and typos. Chapter on history ends in 9-th century. Chapter "what to see in Reykjavik" begins with Kirsuvik area, etc.

very detailed information.

If you're planning a trip to Iceland, then this is a must read! A really professional and well put together book! Being the kindle version is so great for travel as well. You can take this book with you to Iceland without taking up any extra space in your bags! Use this book while planning to build your own perfect get away schedule!

As I'm going on a study trip to Iceland I bought this book and found it very useful. I will definitely use some information about transportation, where to stay and good places to eat. Interesting to read generally about Iceland also. Recommended for anyone who plans a trip to Iceland.

The regular guidebooks (Lonely Planet, Moon, Rough Guide, Frommers) are much better, easier to read, and better organized. I wouldn't bother getting this guide again.

We just got back from Iceland and used this book alot. I preferred the lonely planet book that my co worker had over this one, but it still was pretty good.

Not worth the read... I would not recommend this book.
