Shipping Weight: 2.1 ounces

Average Customer Review: 4.1 out of 5 stars 34 customer reviews

Best Sellers Rank: #288,232 in Books (See Top 100 in Books) #49 in Books > Science & Math > Mathematics > Popular & Elementary > Counting & Numeration #815 in Books > Literature & Fiction > Foreign Language Fiction #8403 in Books > Literature & Fiction > Contemporary

Customer Reviews

Ok, so I should have looked at the dimensions. But after searching through scores of children's books, I didn't think to compare the sizes of every single one. Jeeze-Louise this book is tiny. If my babe moves my hand a bit, I lose my place because of the tiny text on the tiny book (as I say in Ben Stiller's model voice from Zoolander). After laughing at this itty thing and realizing that it's not worth returning, I started to like the darn thing! It fits nicely in our diaper bag. And could easily fit in my husband's back pocket. You never know when you'll have to wait somewhere and need to entertain the little one.

This is a very misleading product. I was trying to purchase "The Very Hungry Caterpillar" board book in German. When you select Board Book you get a very hungry caterpillar themed numbers and colors etc. book in German. It is a cute book... Just not what I wanted. I'm keeping to give as a gift to my half German nephew anyway in addition to a copy of the book I really wanted.

This book is perfectly designed for the discovery stage. It is designed to encourage interaction. It is the earliest learning tool by starting your child out with counting and basic fruits. Recommend.

Great Product

Like other reviewers have said - look at the dimensions. This book is tiny and the binding is a little

flimsy. It's a lot smaller than the regular Eric Carle books and it's also not a board book.

My daughter loves this book. It is exactly to the English version with little "holes" where the caterpillar ate thru the food. it is also great for me to improve my German. Would recommend it to any parent for kids over 18mo.

We love Eric Carle, especially this book. It was fulfilling to read it in his native language with my kids.

favorite book for littles.. fun way to learn spanish
