But when she agrees to be the Mail Order Bride of gold miner Bartholomew Moore, she doesn't know what she's getting into. A missing fiancé, a mine cave-in, an aggressive stranger who wants to steal her heart, and blood-stopping danger are more than Beth bargained for. But if it means saving the handsome, tough man she's fallen in love with, then maybe it will all be worth it... Susannah Calloway brings you this touching love story from the Mail Order Brides of Idaho City. Join Beth Rolland as she draws on all her strength to rescue her beau and to build a life in the Wild West. While part of a series, this book is a stand-alone romance.
