Two birds with one stone here! Your child will learn about colors, animal sounds, animal diets, and animal homes while also learning the story of Noah. I love this book and would recommend it to any Christian parent who wants to teach their kids basic information but with a Biblical backing.

This was a great purchase! Not only is it Biblical, it's educational teaching toddlers colors, animals, etc. very pleased with this! My toddler loves it!

Cute book, very interactive.

bought this for a church quiet book and it is huge! Hardly fits in our diaper bag! But there are plenty

of flaps to keep my boys busy!

For baptism with Noah's ark piggy bank. Perfect gift .

Perfect board book for a toddler. I bought it for my great grandson's birthday, along with the Noah ark sorting toy. Very nice and I'm sure he'll get many hours of enjoyment from both the book and ark toy.

my great grandson loves this book. He spends hours looking at the pictures and lifting the flaps and hes only 2 years old.

Well made book I believe it will get attention of young eyes
