For a month now, Pokemon Go has swept the whole world by storm but somehow, we have never really figured out everything. This book is the perfect guide for us Pokemon Masters as it contains the tricks, tips and hints of the game that we may or may have not discovered yet. It is well written in

such a way that even younger Pokemon Masters can appreciate. I implore you to buy this book for the young and the young at heart!

I feel like I am getting addicted to Pokemon Go game. This book is very helpful with me. There are tips and guides on how to play, there are many things from this book that I do not know yet, like the pokecubes, as well as how to power up the pokemons that I have collected. I highly recommend this book!

In this book I learned very useful tips and trips for this game, such as how to catch Pokemon in difficult locations and how to capture Pokemon effectively. I liked that this book gives very good examples and is easy to understand. This amazing guide will help persons learn the basics of catching the pokemon's and evolving them. A great guide for persons who want to become Pokemon masters!

Downloaded lots of the free kindle books, this book contains advanced tips unlike the others which really are for beginners only. This book is extremely helpful to Pokemon go masters this guide was pretty packed with information on the game, content is very unique , I recommend this book if you are looking for extensive learning and more in-depth information about the game.

Impressive read, a short read that taught me a lot.chars included for reference.I never knew the distance of the pokeball matters but reading this book helped me understand better why sometimes its so hard for me to catch a pokemon.Five stars

Woaaaw ! Thank you Brett Hill for this awesome ebook, I just downloaded the Pokemon Go app on my phone and wondered how to use it.. This ebook has really helped me. I really love the chapter on how to catch rare pokemon. Really enjoyed it.

This was great! I wanted to find out what all the excitement was about and this book was a big help. Now I can play the game with my kids. A quick read that explains it all!

If you are into Pokemon Go, and c'mon who isn't? This will give you a heads up above your friends. Full of tips and trips to catch them all!
