Law Of Evidence For Criminal Justice Professionals (Criminal Justice Series)

Synopsis

This text presents laws of evidence via case law in a law-book numerical reference format. The author, who has experience both as an attorney and police officer, presents the material in legal language to familiarize the student with the style and format legal professionals use. New pedagogy includes end-of-chapter questions.

Customer Reviews

Well written book but kind of boring. The words blend and can be very confusing. Informative and served its purpose. Would buy again if needed.
