The Inn At Blue Hollow Falls

Synopsis

Stevie Franklin is ready to go all-out Grinch on Christmas this year, but a snowy trip to the Blue Ridge Mountains could provide some unexpected gifts... ã ã Stevie is thrilled to help her best friend Sunny launch her new greenhouse business in Blue Hollow Falls. Not only does it give her a chance to visit the quaint location, but it's a welcome distraction from Stevie's recent bad luck with men. Just one catch: since Sunny's home is under renovation, Stevie must stay at the local inn, whose amenities feature hunky innkeeper, Noah Tyler. ã ã Noah may be as tempting as her grandmother's famous sweet potato pie, but city-girl Stevie isn't sticking around and she doesn't do flings. Yet when Noah's chef gets stranded in a Christmas Eve snowstorm, Stevie can't resist pitching in and serving up some of her family's favorite recipes. The magic of a Blue Ridge Christmas is already rekindling Stevie's holiday spirit and making her wonder what else she might be missing out on. Now can Noah restore Stevie's belief in love? ã ã Includes original down-home holiday recipes! ã ã ã ã ã ã "Charming characters, emotion galore, a small town you're going to love Donna Kauffman!" ã ã ã ã ã ã Lori Foster
