Very good information, I used it quite a bit during my recent trip to Costa Rica!

I'll be happy to review this book after i take the trip. I want to review accurately. It is easy to read and well divided into regions.

Great all-around guide to Costa Rica.

Fairly helpfull

very helpful for our trip

Easy to read.

Completely useless. I should have reviewed samples before buying. A waste of money. Wish I could return it

I purchased both Frommer's guides for a trip to Costa Rica and this smaller one left out the area where we were to visit. Missing was San Isidro De General and Mt. Chirripo. On the ocean side, it jumped from Dominical to Drake Bay, leaving out the pleasures of Uvita and nearby tours and waterfalls. The larger guide had more to say.
