ISBN-13: 978-0762436316

Product Dimensions: 5.6 x 1.2 x 7.8 inches

Shipping Weight: 1.8 pounds (View shipping rates and policies)

Average Customer Review: 3.8 out of 5 stars 118 customer reviews

Best Sellers Rank: #38,626 in Books (See Top 100 in Books) #2 in Books > Arts & Photography > Photography & Video > Lifestyle & Events > Lifestyle #6 in Books > Arts & Photography > Other Media > Body Art & Tattoo #13 in Books > Arts & Photography > Fashion > History

Customer Reviews

Lal Hardy is the proprietor of legendary New Wave Tattoo in London, which he has operated since 1979. He has been tattooist to a roll-call of rock stars and movie actors. He lives in London.

I purchased this book expecting it to be a good coffee table piece. I was a little surprised at how small it is. The art work contained within is ok, nothing that really moves you. The big surprise was the bookbinding. My book literally fell apart at the seams the first time I went through it. Very poor job on the part of the printer.

The book arrived in great condition but has deteriorated quickly. The binding is falling apart, pages are coming out and it looks as though it has been used and abused even though it has been cared for well.

I think there's a lack in the quality of the illustration or photos, like they have no continuity, however the book has some interesting pictures of very well known artists.

Excellent book, but as other reviews stated book started to fall apart at the binding, must have used cheap glue, (quick fix before pages start coming out peel cover back take hot glue gun and glue it back). But overall the book is fantastic.

Cool book

Lots of great pictures. The binding completely fell apart after the first time looking through the book though. It was pretty much ruined after that.

The book will not make any difference to me that the binding came apart the first time I opened the book. I just send a few pages to prison inmate with my letters. If your buying this expecting to have a real bound book Don't buy this. If you don't mind a fist full off loose pages this book will be perfect.

I was looking for individuals tattoos. Like butterflys, roses, etc.. This has body tattoos. Some sleeves. No small tattoos
