Customer Reviews

EverQuest Roleplaying Game: Monsters of Norrath (View detail page) ASIN: 1588461262

A good volume of monsters for the EverQuest Role Playing game conversion of D20. I appreciated the thought that went into it, and the conversions to D&D 3.5 were well done. The art is nice as well, and this covers just about everything through the Scars of Velious expansion. A very useful, if not invaluable companion for the game.

Perfect companion to the Master Guide and of course Players Handbook. Has all the pet stats which you'll need since they were not in the PHB surprisingly.

Excellent Condition as promised!

Nice at a good price.

Fans of D&D or swords and sorcery who enjoyed everquest will greatly enjoy the monsters in this book which includes the smallest rat up to the God of hate innoruk.
