## **Synopsis**

â œUnlike these two, I was prepared for the consequences.â •â œThatâ ™s why nobodyâ ™s gonna know what happened todayâ |â •â œOut of the frying pan and into the fire,â • may be the most accurate idiom in existence when describing the drama Ayumi and her friends find themselves constantly caught up in. This time, itâ ™s Kaguraâ ™s turn, and sheâ ™s found herself caught between the sights of one of the popular boys in her class. When she rejects his advances, nobody could foresee the unintended consequences it would have for Ayumi, Takano, Kudou, and Gakuto. What exactly are these unintended consequences? Find out this, and more, in Volume 6!\*Be sure to check out the two bonus chapters at the end of this volume.\*

## **Customer Reviews**

I was able to read all 6 books of this manga in less than 2 days. It is just purely awesome! I read it on my kindle and the artwork is a little harder to see and therefore follow if you don't already have previous experience with reading manga on a kindle. Regardless, this manga is adorable and volume 7 needs to come out already! Maybe one day this could be turned into an anime; I would totally watch it! Bottom line, this is a great series to read!

I chose this rating because It really deserve it!! I love the last couple of chapters!! I am hooked to this series ryoku did a really good job with this series!!!!!! I can't wait for the next one and more to come!!! :)I really like the part were takano and his friend are by the door and they hear kagura and ayumi cry out I love their reaction!!! Great job!!!! Love this story!!!! :)

I noticed the art is getting clearer and more defined. The story has kept me hooked and the characters are great. I can't wait to see how they persevere. Plus the two of them are so cute together!

Heyyyyyyyyyy I'm back for another review This was the best volume so far Omg Like he punched her And then they got kidnapped! Omg I lved how takano was so worried And then It got censored! And the slide shows and the stare takano gave Anyway that's all for today, sorry for the late review and cya tomorrow:-\* kisses

I really like this series!! I can't wait until the next volume comes out. I'm sure it will be just as good as this volume.

It's a sweet romance manga...it has bits and pieces of teenage life drama sometimes even a ill adult drama. This volume was a ill more tense which is nice

Not your regular shoujo . . . finally a story with a dedicated hero, instead of the slandering bullies that usually populate the genre. It's a cute read when you want a little reassurance that there really are good guys out there.

Wow! Well, if you are wanting some angst than you have the right volume. Can't wait to read #7 in this series.
