## Customer Reviews

Great gift for my grandchildren, not only does it give them a religious remembrance of the day but there is space for friends and family to sign and write something and a place to record gifts they may have received

I bought this book as a gift to our grandson, who was receiving his First Holy Communion. Although it didn't arrive until after his Communion Day, he did have it to review before his first Sunday after Communion Day. It's the kind of book that every little boy and girl should have, to help them learn prayerfulness at that early stage in their life. Thank you for sending the book as promised.
