Seoul City Subway Tour (Super Size Edition): Complete Guide To Getting Around Seoul's Top Attractions By Just Taking The Subway

Synopsis

***We have released a full-color version of the book and it is currently on sale for the same price as this black and white book. Search for "Seoul City Subway Tour (Full Color Edition) on ***Hello fellow traveler! Congratulations on choosing Seoul as your next destination where you can enjoy one of the best subway (or metro, depending on where you come from) systems in the world, rated by CNN and Jalopnik (some name-dropping right here). What makes Seoul's subway stand out? Maybe it is the cutting-edge technology like 4G LTE, WiFi, DMB, WiBro you can use while riding on it, but 11 million people who visited Korea last year (2015) can agree that:-It is punctual, safe, and so well-connected to cover every corner of the city. You can go anywhere you want, just by taking the subway alone.-It is very affordable (dirt cheap)!So we have created this unique travel guide so you can visit Seoul's top attractions just by taking the subway alone! This is something never done by any other travel guides before. In this book, you will find-Step-by-step guide to taking the subway, from getting your own subway card to making transfers.-Complete details of the subway system, including fares and characteristics of each line.Now the fun part:-More than 60 of Seoul's top attractions sorted by subway lines and stations (both English and Korean, along with how to say it). They are all within walking distance (under 2km or 1.2miles) from the moment you exit.-Pictures with complete details of the attractions including address, home page, and history/background information, as well as thorough turn-by-turn directions.-Our unbiased review of the places, and an intuitive 7-star rating system.-Tour routes by theme - we analyzed the best possible routes to make sure that you save time and not miss any of those essential spots. We included how much time it takes, when to get on/off, and make a transfer.Whether you have already been to Korea or it is your first time visiting, this guide will add a whole new dimension of traveling (I bet a lot of local Koreans don't know about many of the places we included here).So, what are you waiting for? Get your backpack and let's get on the train!*This title is enrolled in Kindle MatchBook - if you purchase a print copy of this book, you get an ebook version for free*

Customer Reviews

I got this book after I enjoyed K-pop dictionary vol. 2 (from same author). This book has humor and good tips you need to know if you are traveling in Seoul. Seoul being one of the most populated city in the world, getting around cars could be difficult due to heavy traffic. So this subway tour guide was very helpful. If you are planning to visit Seoul and would like to feel "Real Seoul" experience, I recommend this book!
