and school-based courses, one-to-one and small-group tutoring as well as online services in both admission counseling and academic homework help.

Good book, but they changed the SAT so that there is no explicit vocabulary test, so this book is sort of background reading for the SAT and is not directly applicable. It would have gotten 5 stars had the SAT actually had a separate vocab section, I only deducted stars because you don't really need it.

very good

Very informative, and helpful. Thank you!
