## **Customer Reviews**

As a pharmacy student, this is wonderful to keep information fresh and to give me knowledge when I forget or to look something up. Instead of going through thousands of pages I can flip through this and get a refresher. It is great for review. I suggest this for anyone in pharmacy school or as a pharmacist.

Very complete

Not very informative for what I was looking for...and very vague

It's good, but I not practical

great product thank you

Great product

Very helpful for a quick review.

Great reference.
