*Nside *Nsync: The Ultimate Official Album

Synopsis

Since Justin, Chris, Joey, Lance, and JC got together in 1995, NSYNC has climbed its way up the charts and into the hearts of millions of fans. Their catchy five-part harmonies and driving dance beats make for the perfect blend of pop and R&B. Simply put: They're the hottest band on the planet. *NSIDE *NSYNC provides a colorful, up close and personal looks at the guys-getting you closer to them than you ever imagined you would be. One hundred percent authorized by the band, this book showcases glorious, full-color, never-seen-before photos of the guys in concert, backstage, and on the road, plus tons of candid shots and comments from the guys themselves. The large format, spectacular design, and poster-size photos make this the ultimate, must-have book for every *NSYNC fan.

THE INTRODUCTION: Seldom in the history of popular music has a single group captured the ears, hearts, and minds of a generation of fans as swiftly and energetically as *NSYNC has. Since April of 1998, when their hit single "I Want You Back" skyrocketed up the American music charts, their talent and infectious enthusiasm have been embraced by people of all ages and from every walk of life. *NSYNC has transcended the pop star label to become something more, and through the energy and sincerity of their songs they have made a deep connection both to their devoted fans and to newcomers to the *NSYNC phenomenon. Justin Randall Timberlake, James "Lansten"

Lance Bass, Joshua Scott "JC Chasez, Joseph "Joey" Anthony Fatone Jr., and Christopher "Chris" Alan Kirkpatrick all had a dream that someday they would be able to use their natural talents to entertain people. But they also had another priority: always to keep within their sights the values that their parents had instilled in them. In the last couple of years, their longtime dream has come true, well beyond their wildest expectations. Yet through tedious rehearsals, long recording sessions, and a grueling schedule of performances and appearances, the guys still keep an eye on the things that really count: remaining best friends, staying close to their families, and of course, being loyal to millions of adoring fans. It is this special bond that seems to set them apart from so many singers today. But how did a boyhood dream become such a dazzling reality? Actually, you could say it was in "N the stars...

I order the book from and I just got it today and I started to go and read it and I love it because it brings me back memores seeing them in Arizona in 1999 when I saw them it is great book. I love it a lot I can know what they do offstage this for any N'sync fans you will love reading it also it is so funny too with the pictures that they have in the book. Justin is so hot in the pictures also with the back of the book Lance is so cute sleeping.

Amazing huge photography that capture the concert experience and an all around great book. I Love it and love Nsync.

This book is gorgeous. The photos are great. It shows the fellas on stage and behind the scenes. There are pictures of the security team and crew as well. This is a must for any NSYNC fan!

This is, by far, the best book that i have ever read that is actually written by them! To me , they are the best boy band out there and are totally different from the backstreet boys. Anyway, the book has tons of great pictures of the entire group. Most of them are super cute too. If you are a fan of Lance, JC, Joey or Chris you will absolutely love this book because there are an equal amount of pictures of each member and not all pictures of Justin. There isn't a whole lot of information on the group though, so if you are looking for a book on that, this really isn't the book for you. Although, if you want tons of great color pictures, cool quotes from all of the guys, and behind the scenes pictures of their awesome, must see, concerts, then this is a must have book to add to your collections. I am a big "N Sync fan and i support them all the way. I think they are a great group of guys and they totally deserve the loving support from all you 'N Sync fans out there. Stay 'N SYNC!

For those fortunate fans who were in the groups fan club, in 1999, could purchase it earlier on, and would get an extra page, at the front thanking fans for their support. Ever imagine being on stage with one of the coolest bands, *NSYNC, to see what it is like to be them? "**NSIDE *NSYNC The Ultimate Official Album*", delivers. Read a day in the life of *NSYNC, leading up to their stage entrance. Hear what they are saying about fans, and life on the road. Go backstage, meet their band. Get to recognize their security team. View the guy's off stage antics, with each other, wherever they may be! End your journey as the tour bus rolls out. Look at the signs, marking their arrivals. In closing gaze at a unique image of everyone that makes what they do possible. It's one photo, you won't ever forget!

This book is really great! It is so cool how they tell you what it is like to be on tour with them! They take you through the whole day and tell you what it is like to be part of the *N Sync team! It is even better if you have been to an *N Sync concert like I have! Because you get to see how much work really goes into the whole show! This book also has the best pics I have ever seen! It really takes you behind the scenes. The guys of *N Sync are so awesome! They do a great job! And they work really hard! I love them so much! I have both of their books and they are great! I would recommend them to any one! I think *N Sync is the best group ever! They are great at what they do! I will always stay *N Sync!

This book is the BEST! Don't worry about the reading level...if you are an 'N Sync fan BUY IT! I highly recommend it. Believe me I drool on it all the time. There are so many beautiful pictures and the writing in the book is great. So just go buy it already! ByeByeBye

This is by far THE best ever that I have seen coming from the guys themselves, *N Sync. This book brings with itself the real lives of these VERY talented guys. You are going to be SO entertain with its awesome pictures, that you won't even bother with the reading. You should read it, of course, because that is the reason why they made this book. They want to let people know who they are and to also show the world that they are here to stay. They are the best group ever. They don't have their 15 minutes of fame and leave. These guys make a mark wherever they go. Chris, Justin, JC, Joey, and Lance: Congratulations on your sellings and remember that GOD is on your side. I love you guys snoopy8876.
