Crystal Bowman loves writing books for kids. Her books come in all shapes and sizes and many of them have become best sellers. Whether her stories are written in playful rhythm and rhyme, or short sentences for beginning readers, she tries to make them so enjoyable that kids will want to read them over and over again. "But the most important part," she says, "is to teach children that God loves them and cares about them very much."

This is a good Bible story written for children to read and be read by parents/grandparents to their children/grandchildren. Simple vocabulary and good color illustrations with a moral behind it - honesty and forgiveness.

My 5 year old granddaughter loves it...it is easy to read for her.

I love these books. They are reading ability/age compatible and make telling the Bible stories easy. Kids like the pictures and understand the words. Very nice line of books.

Great book to read to the kids that teaches faith, trust and love in Jesus.

My God Daughter picks up quickly and loves it
