Amy Meets Her Stepsister (The Critter Club)

Synopsis

Amy is excited to meet her new stepsister Chloe. But it turns out Chloe doesn't feel the same way! Can Amy and Chloe get along? Amy's mom and dad have been divorced for as long as Amy can remember, but nothing prepares Amy for the news she gets on a weekend visit to her dad's house in Orange Blossom: Amy's dad is remarrying! In addition to getting a stepmother, Amy will also be getting a stepsister her age named Chloe. As the girls spend more time together, Amy realizes that Chloe isn't as nice as she appears to be in front of the grown-ups. Chloe plays pranks on Amy and is just downright mean to her. Amy worries that she'll be stuck with this stinky stepsister for life. Will she and Chloe ever be friends? With easy-to-read language and illustrations on almost every page, The Critter Club chapter books are perfect for beginning readers.

Callie Barkley loves animals. As a young girl, she dreamed of getting a cat or dog of her own until she discovered she was allergic to most of them. It was around this time that she realized the world was full of all kinds of critters that could use some love. She now lives with her husband and two

kids in Connecticut. They share their home with exactly ten fish and a very active ant farm. Marsha Riti illustrated the picture book The Picky Little Witch by Elizabeth Brokamp. She lives in Austin, Texas, where she likes to take long walks, stopping frequently to pet neighborhood kitties.

Amy Meets Her Stepsister

My 5-year old reads well above her kindergarten level and we started reading the Critter Club after I was looking for chapter books that she would love. We enjoyed the first four books and this is the 5th installment to the series. We love this story and it's also the first time my daughter had an understanding of what divorce is.

Got this for my 8 year old granddaughter. She read it in 40 minutes and loved it.

Quite happy and pleased with the condition.

My daughter can't put The Critter Club series down. Note to Callie Barkley, huge thanks, now get back to work and write many more!

Great!

My granddaughter has all your books now.

My 8 year old has read this series of books by herself over and over. Totally in love with them.

My 7 year old daughter loves this series and tears through them. I will continue to buy any series that keeps her engaged in reading and challenges her.
