# Creative Haven Modern Tattoo Designs Coloring Book (Creative Haven Coloring Books)

## Synopsis

Enter into a racy world of tattoo art with these edgy, imaginative renditions of flowers, dragons, skulls, hearts, wild animals, angels, and other creatures of fantasy and nature. Designed by an accomplished tattoo artist who appeared on season five of the Spike TV show Ink Master®®, the full-page illustrations form a stunning array of images to color. Specially designed for experienced colorists, Creative Haven® coloring books offer an escape to a world of inspiration and artistic fulfillment. Perforated pages are printed on one side only for easy removal and display.

Language: English

ISBN-10: 0486493261

ISBN-13: 978-0486493268

Product Dimensions: 0.2 x 8.8 x 11.2 inches

Shipping Weight: 8.5 ounces (View shipping rates and policies)

Average Customer Review: 4.2 out of 5 stars 230 customer reviews

Best Sellers Rank: #48,216 in Books (See Top 100 in Books) #9 in Books > Arts & Photography > Other Media > Body Art & Tattoo #954 in Books > Crafts, Hobbies & Home > Crafts & Hobbies #5328 in Books > Teens

## Customer Reviews

Designer and professional tattoo artist Erik Siuda studied illustration at New York City's School of Visual Arts and is skilled in several media, including watercolors and digital arts. He manages Red Rocket Tattoo in Levittown, New York, and has appeared on season five of the Spike TV show Ink Master®.

This is a wonderful coloring book! I love the content and the paper is nice and crisp! I use prisma color pencils, so if you're using markers, you may need to use a sheet of paper under to prevent bleeding. The pages are nicely perforated too!!!! In my attached photo, I did the one on the left, and my friend colored the roses on the right and we hung them on the fridge! :) As you can see, they are great for any coloring "level". Not too complicated, but enough to keep my attention!!!!

I really love tattoos so the book is automatically going to be pretty cool. However I was a little dissatisfied with some of the pages and found that I kind of do not like a bunch of pages in the book that well. However, for how cheap it is it was worth the buy. I enjoy it quite a bit still.

great book. sent this to my husband in prison and he absolutely loves it.

I love tattoos and tattoo art, so I was super excited to get this and start coloring. Unfortunately a lot of the designs are pretty ugly and you really can't tell what they are. There isn't a single swallow, one of the most traditional tattoo designs you can get. Bummed, but at least it's something new to color. Heads up, the graphics have big open spaces, not much detail like more common adult coloring books, plan on colored pencils or you will burn through gel pens like mad. I'm including pages I did, one in pencil and one in pen.

Pretty cool. Wish there were a few other pages. Not bad for the price though.

Lived the line drawings but wishes they were full page drawings hence why I only have four stars. Pages are one sided and heavier weight with perforations. Would purchase this book again.

I LOVE all Creative Haven coloring books and this one is no exception. love it. I will more than likely buy more Creative Haven books from .

I bought this thinking that the designs would be similar to the cover as I was unable to see samples of the coloring pages. The pages inside are quite a bit more simple than I would have thought, and have random bold lines that make it hard for me to discern what the image is at first glance. The images do not fit the full page. And most take up just the middle of the page with large blank spaces all the way around. I would say these are going to be easy to blow through and will not take as much time or concentration as other adult coloring books I have purchased.
