Customer Reviews

I loved this series and was hooked from the very 1st chapter. I am hoping that the host of characters and Mairsile and her muse will inspire her to write another book or two or three on their adventures in becoming parents.

I really enjoyed all 6 books in this series. They were hard to put down with great character development. enjoy

I have grown to love the Vicky & Aidan books. I loved how this book wrapped up the Harold storyline

& allowed us to find out more about Aidan's parents & being an O'Malley. Excited to see how Vicky & Aidan handle being parents.

I thought it was an excellent conclusion to the end of Harold's story. I love Adian's character and the love she has for Vicky!!! Keep up the good work!!

Really good happy the Harold story is wrapped up can't wait for the next book hope it's soon
