Used it on recent trip. Helpful. I usually use this series for all my travels.

Very well done! Well take it with us!

Husband prefers Eyewitness Travel books for every trip we take. We have over 50 so far and they always go with us on the trips. Wonderful photos and info. Have tried many others over time, but these are consistently the most informative and current, with excellent photos and recommendations.

DK guides are great! This one does a wonderful job of laying out the main attractions in each part of the country (as always) and includes wonderful photographs.

The maps are great and the photos plentiful and very nice. I will definitely take the book with me on my upcoming trip.

Excellent guidebook on the various regions of Argentina: Buenos Aires, Mendoza and the wine country, Patagonia, and other areas.
